British Columns Kept in Motion—Losses Given—London Uneasy—Official From Front.

A FIGHT.

LONDON, Oct. 24.—The War Office published tonight a dispatch from Col. Baden-Powell, the British commander at Mafeking, dated October 15, and forwarded from Cape Town. It says: "All well here. In a fight today, four miles from Mafeking, the armored train, a section of the British South African police and two squadrons of the protectorate regiment repulsed the enemy, losing two killed and fifteen wounded, the latter including Lieutenant Bentinck, Ninth Lancers, and Lieutenant Bray of the protectorate regiment, both slightly. The enemy's loss is estimated at fifty-three killed, besides many wounded. The names of our killed and wounded will follow. All worked splendidly and are very anxious for the next meeting with the enemy."

A dispatch from Kuruman, Cape Colony, dated October 19, via the Orange river, says a dispatch rider had furnished details of the fight at Mafeking October 14. They confirm the advice and show that Colonel Fitzclarence's squadron was nearly outflanked by the Boers. The armored train was unable to assist the squadron for fear of hitting the British soldiers. Colonel Baden-Powell signalled to Fitzclarence to retire, but the latter replied that he was hampered by his wounded, could not desert them and could not return without re-enforcements. Lieutenant Lord Charles Bentinck, of the Ninth Lancers was then ordered with a squadron to disengage Fitzclarence, and the retreat was effected in good order. The efficacy of the armored train was thoroughly proved. The crew did great execution. While the fighting was proceeding outside the townmen stood by the defenses of the town. Splendid spirit is said to have been shown by every one, even the women shouldering Lee-Metford rifles, which they know how to handle.

Major Bullie had an exciting experience near Mafeking while attempting to convey orders. A hot fire was opened on him, and Bullie's water bottle was shattered. The next moment his horse was shot and Bullie had a narrow escape from capture. He reached the train. A courteous note has reached Colonel Baden-Powell from General Cronje, the Boer commander, offering facilities for the interchange of wounded and prisoners. This indicates that when the Boers fired on the ambulance train, which was attempting to pick up the dead, they did so by mistake. A native rumor says Colonel Plummer, at Tull, has engaged and defeated a force of Boers.

KIMBERLEY.

CAPE TOWN, Oct. 24.—A dispatch from Kimberley, dated October 21, and brought by a dispatch rider to the Orange river, has just arrived here. It says: The position in Kimberley is unchanged. The siege continues. Yesterday the armored train found the enemy in the same position in the Spytfontein neighborhood.

OFFICIAL FROM FIELD.

LONDON, Oct. 25.—The following dispatch from General Sir George Stewart White to the Marquis of Lansdowne, Secretary of State for War, received last evening at 11 o'clock, was posted at the War Office soon after midnight:

"LADYSMITH, Oct. 24, 9 p. m.—Information received yesterday showed that the Boers had established themselves in considerable numbers in an exceedingly strong position west of the main road leading from Ladysmith to Dundee. I also had information that the Dundee force, formerly commanded by General Symons, and since his wounding commanded by General Buller, was falling back on Ladysmith by way of the Helpmakkarr road, Beit and the valleys of the Waschbank and Sunday rivers, and was expected to report at Sunday river valley today. I therefore moved out with a strong force to cover the movement of Yule's column."

"The enemy was discovered about seven miles out of Ladysmith in a position of great natural strength, west of the road. When he saw that preparations were being made against him he opened fire with one gun with great accuracy. Our artillery soon got into position, and the gun was silenced. Our troops were ordered to occupy a strong ridge, parallel to the enemy's position, but nearer to the road. I confined my efforts to occupying him and hitting him hard enough to prevent his taking action against Yule's command. Numbers of the enemy fled to the west, and the firing had practically ceased at 2 o'clock."

DEWEY AND PRESIDENCY.

WASHINGTON, Oct. 21.—Here are some statements regarding Admiral Dewey and the Presidency: He has not said he would not accept the nomination if it is offered him by the Republican party. He has not said he could not be considered a candidate. Dewey, in spite of all reports to the contrary, has refused to say anything about the Presidential nomination. Meanwhile his friend, Senator Frester, is putting things into shape for the Admiral's acceptance, should

conditions shape themselves to make such a step advisable for the country and for the Admiral.

HAVEMEYER SUE.

NEW YORK, Oct. 24.—The trial of an action brought by Henry Hantz against Theodore Havemeyer, Henry Havemeyer, Frederick Havemeyer and Charles H. Seiff to recover \$225,000 commissions for his services in the consolidation of the companies which now form the American Sugar Refining Company was commenced in the Supreme Court today before Justice Andrews and a jury.

PRIZES OFFERED.

The German Sugar Manufacturers' Association offers two prizes of \$5,000 and 10,000 marks respectively for the construction of successful beet diggers and toppers. Applications should be addressed to the President of the Association, Privy Councillor Koenig, Berlin w. Kleiststrasse 32, on or before August 15, 1901.

A REBEL ATTACK

Filipinos Fire on the Outposts of Iloilo.

Reinforcements for the Insurgents—Request to Gen. Otis—Panay Rebel Fighters Suffer Defeat.

OUTPOSTS ATTACKED.

MANILA, Oct. 24.—Iloilo is stirred by the expectancy of important fighting. General Pullon began "unrolling the bloody scroll," as he promised his followers in a recent speech, by firing volleys at the American outposts nightly. Since Sunday re-enforcements have been arriving from the north. This activity is designed to divert the Visayans from their dissatisfaction against the Tagalos. Aguinaldo has ordered the release on parole of Areneta and other Visayan leaders, who were disposed to negotiate for peace, and is watching them to prevent further negotiations.

The Fourth Infantry reconnoissances about Imus found that the insurgents had returned to Das Marinas. It is reported that they are reorganizing at Malabon and other towns. The leading inhabitants in that section have requested General Otis to garrison the towns because the insurgents are living off the people, but sufficient troops are lacking for this.

General Otis has prohibited the local papers from printing the arrivals, departures or any movements of troops. Aguinaldo, if he is a student of the Manila papers, has been kept posted as to the whereabouts of every company in the army.

DEFEAT OF REBELS.

WASHINGTON, Oct. 24.—The War Department has received the following cablegram:

"MANILA, Oct. 24.—Hughes reports Panay insurgents driven out of Negros. Byrne struck one band, killed ten, captured thirteen; native troops struck another band, and killed six. No casualties."

CHURCH LOOTING STORIES DENIED.

NEW YORK, Oct. 25.—A special to the Times from Washington says: "The stories of American soldiers looting churches are false," said Col. A. S. Frost of the South Dakota Regiment, who had a long interview with Secretary Root in regard to the Philippine situation.

"As General MacArthur advanced the principal churches were set on fire by Aguinaldo's men, notably the church at San Fernando and Malolos, and the looting was done by the insurgent stragglers and Chinese. It is not true that the Philippine prisoners were inhumanely treated. There is no kinder man in the world than the American soldier. I have seen him share his food with and give shelter to wounded Filipinos. The Filipino wounded are sent to the hospitals on the same trains with our own."

Colonel Frost highly praised General Otis, declaring him to be a man of splendid character. "He makes enemies," said the Colonel, "because he is a strong man."

CONSUL WILDMAN.

PORTLAND (Or.), Oct. 24.—The "Oregonian" says: "The recall from his post of duty of Rounseville Wildman, United States Consul-General at Hongkong, is imminent. It is said he is to be relieved from duty for cause, and the 'cause' is his prominence with the affairs of Aguinaldo, the Filipino rebel. The successor to Wildman will be Dr. Edward Bedloe, United States Consul at Canton, who was recently called to Washington."

VETERAN METHODIST DIVINE.

PACIFIC GROVE, Oct. 24.—The Rev. Father N. R. Peck, the Patriarch of Methodism of California, died here suddenly yesterday while at his dinner table. His wife was present. The Rev. N. R. Peck was one of the foremost exponents of the Methodist Church on the Pacific Coast, and his death will be a shock to hundreds of his friends.

FORTY-TWO WIVES.

CHICAGO, Oct. 24.—That he has forty-two wives scattered all over the world, four of whom are in Chicago, was the confession made today by Walter L. Farnsworth, a candy commission man who was arrested yesterday charged with bigamy.

Major Leggett was a campaigner in Cuba and won his promotion in some of the hard fought battles there and in Porto Rico.

Lieutenant Colonel Webb C. Hayes is one of the notable officers with the American expedition for the Philippines now in Honolulu. He is the ranking officer of the Thirty-first Regiment of Infantry and is aboard the Manuense. The officer was a boy about the White House when his father was President of the United States. Lieutenant Colonel Hayes is a graduate of Cornell. He has had army experience extending over a number of years. At the beginning of the war with Spain he was offered command of one of the Ohio volunteer regiments, but preferred to go to the front as a major, and has won his promotion on the battlefield. He fought all through the Santiago campaign and had two horses shot under him. A sister of the distinguished visitor, Mrs. Smith, wife of an officer of the American navy, was recently in Honolulu.

At the Berlin Leper Conference of October, 1897, Dr. Alvarez met Dr. Sauton, who has made a specialty of the treatment of the dread disease, and in addition to his work in the great St. Louis Hospital of Paris has a private practice. In conversation with Dr. Alvarez, Dr. Sauton mentioned that he would shortly visit Hawaii.

A TRUE FRIEND.

A friend in need is a friend indeed. That is exactly what Chamberlain's Cough Remedy is. It is the mother's help when she is suddenly awakened in the night by the ominous husky cough, and labored breathing, of her babe. It is the safe resort of the youth or adult when he has "caught cold" and there is coughing and irritation of the mucous membrane of the throat. It allays the irritation and cures the cold.
